

Stair Nosing Catalogue

Stair Nosing

Guardian Aluminium Non-Slip Stair Nosings comply with Australian safety standards whilst presenting an aesthetic look for architectural design.

They are protected with a 15-20 micron anodised coating. Stair nosings are available in full lengths or supplied cut-to-size and pre-drilled to your requirement.

We have a range of profiles that come with a silicon carbide tape, polyurethane and carborundum inserts, which all come in a selection of colours.

Our stair nosings can be installed using mechanical fixings, adhesives, or supplied with our quality double-sided tape.

Having completed stair nosing contracts in a variety of different locations, our professional installation team knows how to get the job done effectively and efficiently. We back our stair nosing with a full product and installation warranty for your peace of mind.

- Suitable for internal and external application
- Surface mounted or recessed
- Made from architectural grade aluminium
- Variety of coloured inserts
- Seamless integration to the substrate
- Screw or adhesive fixed to the substrate
- Water and weather Proof
- Multiple profile designs
- Suitable for all substrates
- Supplied in full lengths or cut-to-size
- Pre-drilled for easy installation
- Complies with slip resistance standards

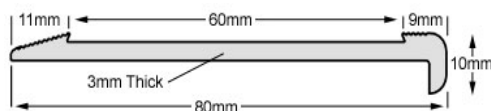

Stair Nosing

Aluminium Slimline (10x80mm) – Silicon Carbide Insert

Product codes:

Yellow	GSN-SLR-CYL
Grey	GSN-SLR-CMG
Black	GSN-SLR-CBK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

Warranty: 5 years

Size: 5,800mm lengths or cut-to-size

Anodising: 15 microns

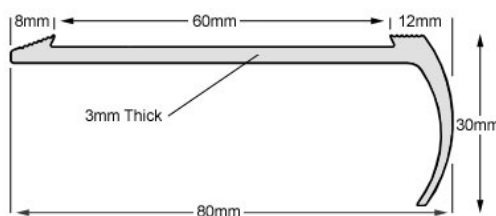

Slip Resistance: Class P5

Aluminium Bullnose (30x80mm) – Silicon Carbide Insert

Product codes:

Yellow	GSN-BNR-CYL
Grey	GSN-BNR-CMG
Black	GSN-BNR-CBK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

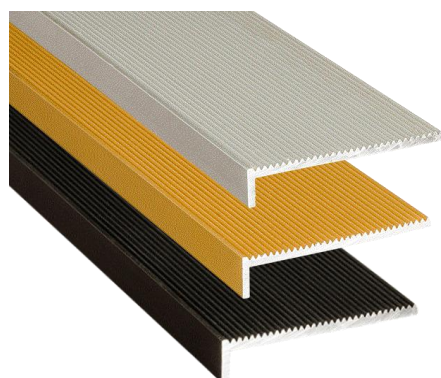

Warranty: 5 years

Size: 5,800mm lengths or cut-to-size

Anodising: 15 microns

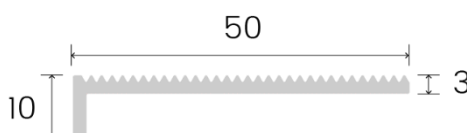

Slip Resistance: Class P5

Aluminium Corrugated Slimline (10x50mm)

Product codes:

Silver Anodised	GSN-02COR-SV
Gold Anodised	GSN-02COR-GD
Black Anodised	GSN-02COR-BK

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium

Warranty: 5 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

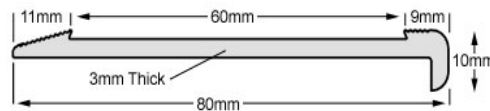

Slip Resistance: Class P5

Aluminium Slimline (10x80mm) – Polyurethane Insert

Product codes:

Yellow	GSN-SLR-PYL
Terracotta	GSN-SLR-PTR
Black	GSN-SLR-PBK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal only

Material: Anodised aluminium with polyurethane insert

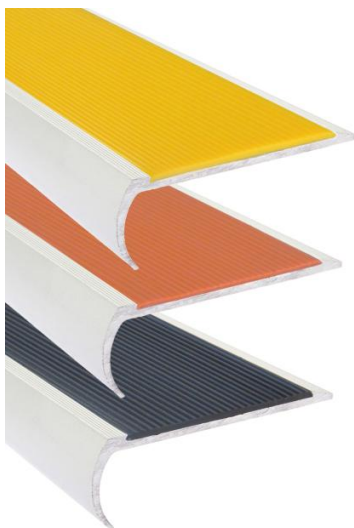

Warranty: 5 years

Size: 5,800mm lengths or cut-to-size

Anodising: 15 microns

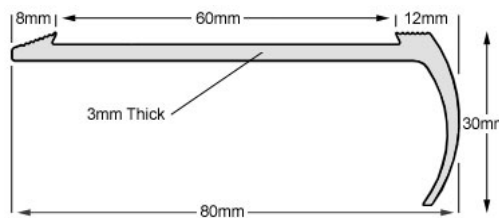

Slip Resistance: Class P3

Aluminium Bullnose (30x80mm) – Polyurethane Insert

Product codes:

Yellow	GSN-BNR-PYL
Terracotta	GSN-BNR-PTR
Black	GSN-BNR-PBK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal only

Material: Anodised aluminium with polyurethane insert

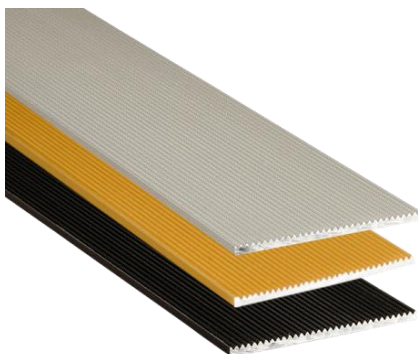

Warranty: 5 years

Size: 5,800mm lengths or cut-to-size

Anodising: 15 microns

Slip Resistance: Class P3

Aluminium Corrugated Strip (3x50mm)

Product codes:

Silver Anodised	GSN-02COS-SV
Gold Anodised	GSN-02COS-GD
Black Anodised	GSN-02COS-BK

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium

Warranty: 5 years

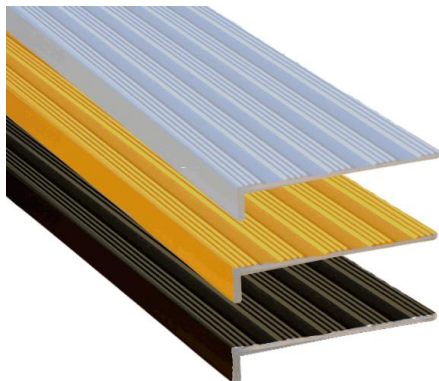

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

Slip Resistance: Class P5

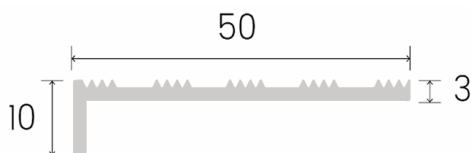

Stair Nosing

Aluminium Striped Slimline (10x50mm)

Product codes:

Silver Anodised	GSN-02STR-SV
Gold Anodised	GSN-02STR-GD
Black Anodised	GSN-02STR-BK

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium

Warranty: 5 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

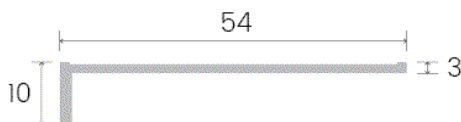

Slip Resistance: Class P5

Aluminium Minimalist in Silver (10x54mm) – Silicon Carbide Insert

Product codes:

Black	GSN-02MS10-CBK
Yellow	GSN-02MS10-CYL
Grey	GSN-02MS10-CMG
Ivory	GSN-02MS10-CIV
Blue	GSN-02MS10-CBL
Red	GSN-02MS10-CRD
Orange	GSN-02MS10-COG

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

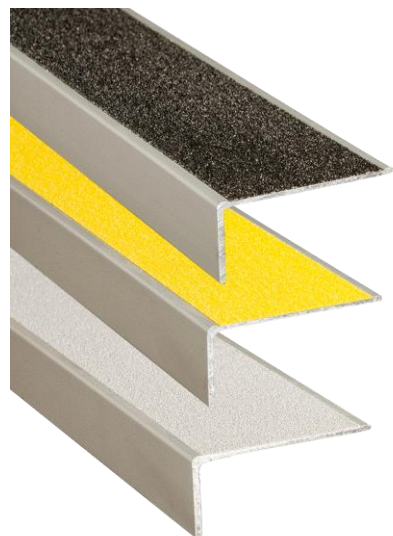

Warranty: 3 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

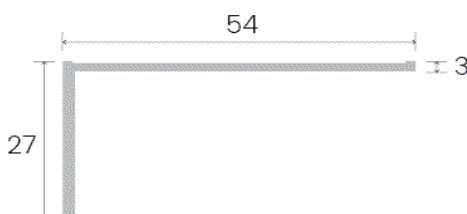

Slip Resistance: Class P5

Aluminium Minimalist in Silver (27x54mm) – Silicon Carbide Insert

Product codes:

Black	GSN-02MS27-CBK
Yellow	GSN-02MS27-CYL
Grey	GSN-02MS27-CMG
Ivory	GSN-02MS27-CIV
Blue	GSN-02MS27-CBL
Red	GSN-02MS27-CRD
Orange	GSN-02MS27-COG

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

Warranty: 3 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

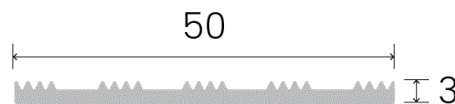

Slip Resistance: Class P5

Aluminium Striped Strip (3x50mm)

Product codes:

Silver Anodised	GSN-02STS-SV
Gold Anodised	GSN-02STS-GD
Black Anodised	GSN-02STS-BK

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium

Warranty: 5 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

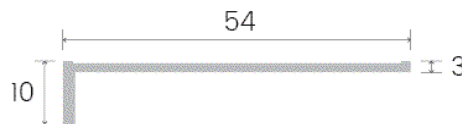

Slip Resistance: Class P5

Aluminium Minimalist in Black (10x54mm) – Silicon Carbide Insert

Product codes:

Black	GSN-02MB10-CBK
Yellow	GSN-02MB10-CYL
Grey	GSN-02MB10-CMG
Ivory	GSN-02MB10-CIV
Blue	GSN-02MB10-CBL
Red	GSN-02MB10-CRD
Orange	GSN-02MB10-COG

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

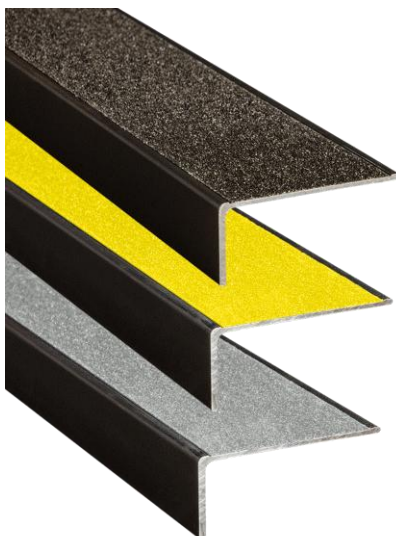

Warranty: 3 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

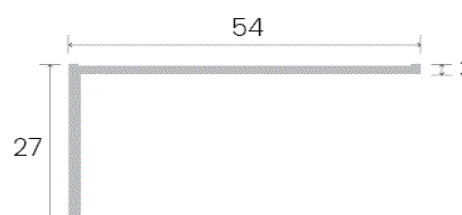

Slip Resistance: Class P5

Aluminium Minimalist in Black (27x54mm) – Silicon Carbide Insert

Product codes:

Black	GSN-02MB27-CBK
Yellow	GSN-02MB27-CYL
Grey	GSN-02MB27-CMG
Ivory	GSN-02MB27-CIV
Blue	GSN-02MB27-CBL
Red	GSN-02MB27-CRD
Orange	GSN-02MB27-COG

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with silicon carbide insert

Warranty: 3 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

Slip Resistance: Class P5

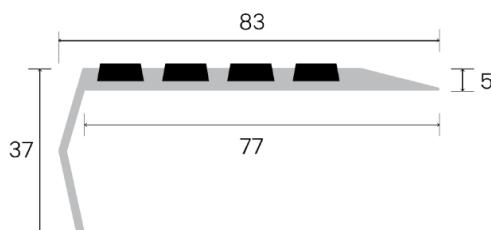

Stair Nosing

Aluminium Bullnose (37x83mm) - 4 x Carborundum Insert Strips

Product code:

Black	GSN-02BR4-BK
-------	--------------

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

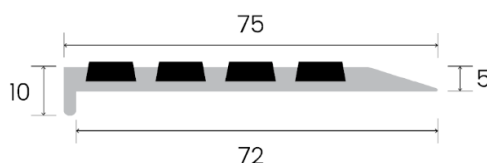

Slip Resistance: Class P5

Aluminium Slimline (10x75mm) - 4 x Carborundum Insert Strips

Product codes:

Black	GSN-02SR4-BK
Yellow	GSN-02SR4-YL
Ivory	GSN-02SR4-IV

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

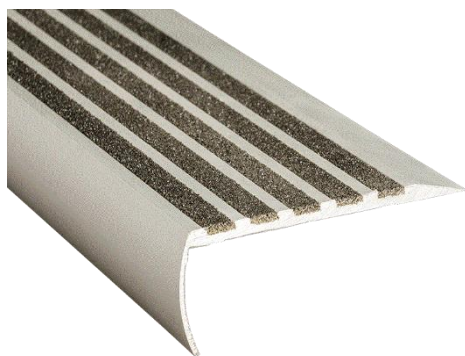

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

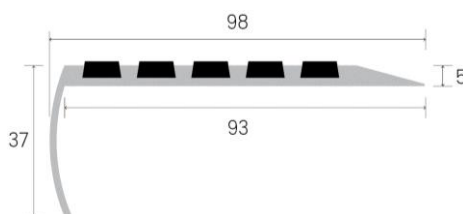

Slip Resistance: Class P5

Aluminium Bullnose (37x98mm) - 5 x Carborundum Insert Strips

Product code:

Black	GSN-02BR4-BK
-------	--------------

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

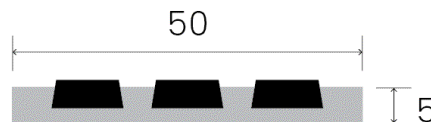

Slip Resistance: Class P5

Aluminium Recessed Strip (3x50mm) - 3 x Carborundum Insert Strips

Product code:

Black	GSN-02RS3-BK
-------	--------------

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

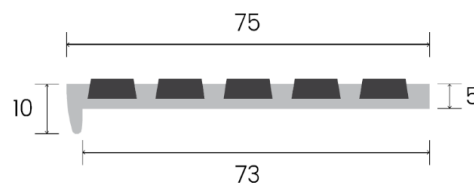

Slip Resistance: Class P5

Aluminium Recessed Slimline (10x75mm) - 5 x Carborundum Insert Strips

Product codes:

Black	GSN-02SS5-BK
Yellow	GSN-02SS5-YL
Ivory	GSN-02SS5-IV

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

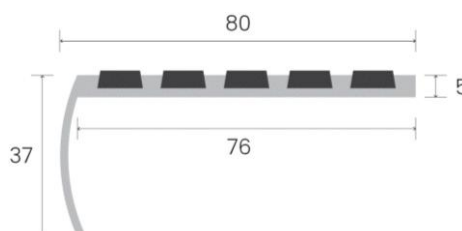

Slip Resistance: Class P5

Aluminium Recessed Bullnose (37x80mm) - 5 x Carborundum Insert Strips

Product code:

Black	GSN-02BS5-BK
-------	--------------

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

Slip Resistance: Class P5

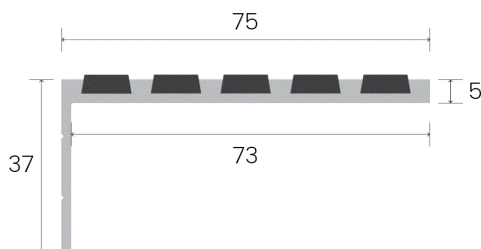

Stair Nosing

Recessed Squarenose 37x75mm Stair Nosing with 5 x Non-Slip Insert Strips

Product codes:

Black	GSN-02SN5-BK
Ivory	GSN-02SN5-IV

Substrates: Timber, concrete, tiles, vinyl

Application: Internal and external

Material: Anodised aluminium with carborundum inserts

Warranty: 10 years

Size: 2,500mm lengths or cut-to-size

Anodising: 20 microns

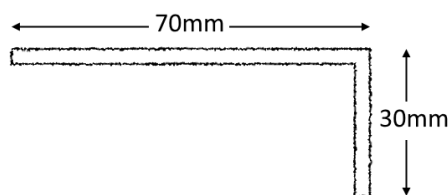

Slip Resistance: Class P5

Fibreglass (30x70mm)

Product codes:

Yellow	FBR-7030-YL
Black	FBR-7030-BK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal and external

Material: Fibreglass reinforced plastic

Warranty: 5 years

Size: 5,800mm lengths or cut-to-size

Grit: 24# grit

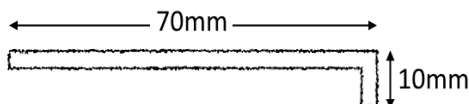

Slip Resistance: Class P5

Fibreglass (10x70mm)

Product codes:

Yellow	FBR-7010-YL
Black	FBR-7010-BK

Substrates: Timber, concrete, tiles, vinyl, rubber, carpet

Application: Internal and external

Material: Fibreglass reinforced plastic

Warranty: 2 years

Size: 3,620mm lengths or cut-to-size

Grit: 36# grit

Slip Resistance: Class P5

About Us

Guardian Tactile Systems Pty Ltd was incorporated in March 2003 to manufacture and market high quality Tactile Ground Surface Indicators (TGSIs) for the vision impaired. We have since expanded our range of products to include a comprehensive variety of stair nosings, wheel stops and braille signs.

Guardian has successfully completed over a thousand contracts in WA to supply and install on construction, renovation and infrastructure projects. All contracts fully comply with Design for Access and Mobility AS/NZS 1428.4.1:2009. We also supply products across Australia through our network of distributors.

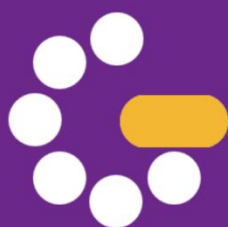

Guardian integrated tactiles are manufactured from durable high-tech polyurethane. This product has a proven wear resistance equal to granite, is lead free and UV resistant. We are so confident our Tactile Ground Surface Indicator will withstand any natural condition that we offer a 10-year warranty.

We supply and install premium quality, heavy duty wheel stops. Our wheel stops are moulded from a tough recycled rubber designed for durability and have excellent resistance to fading, chipping and cracking.

Guardian supply and deliver a range of braille signage throughout Australia and are manufactured for internal and external use.
